MalaysiaGBC New Logo Competition

DESIGN A NEW LOGO FOR MALAYSIAGBC

In the true tradition of creativity, we are pleased to announce our logo design contest. Here's your chance to become a part of Malaysia's green building history.

The contest is open to Malaysians age 21 and above. Images must be high resolution digital artwork, and all types of images, including those drawn by hand, are welcome. Flexibility is a key requirement, including the need to resize easily and look good in colour, as well as black and white. The final version of the logo will need to be suitable for high quality printing.

A variant of the logo using the same basic design, but with the addition of the word Winner, is also required. The logo must not contain any other text besides MalaysiaGBC.

Logo designs will be evaluated on:

- How well the design reflects MalaysiaGBC's image.
- How well it corresponds to the concept of green building and sustainability.
- How adaptable the design is for use on the website, printed materials, apparel, posters and more.
