MALAYSIA  
PAVILION

# Sh//ft For Sustainability: *Climate Action Now*

Malaysia is proud to present our Malaysia Pavilion at COP29, built around the theme “**Shift for Sustainability: Climate Action Now**”. This theme emphasizes the urgency of addressing climate change with immediate, bold actions. Through a whole-of-nation approach, Malaysia is committed to collaborating with all sectors — government, businesses, and communities — to create a sustainable and resilient future for all.

Join us at the Malaysia Pavilion as we showcase our nation’s innovative solutions for climate action, from green urban development to energy transitions, biodiversity preservation, and more.

## DELEGATE MATCHING PLATFORM

### Connect, Collaborate, and Innovate at COP29

Discover meaningful partnerships and unlock opportunities for collaboration with global stakeholders through the **Malaysia Pavilion Delegate Matching Platform** at COP29. This platform is designed to connect delegates, organizations, and innovators from across the world to foster impactful partnerships in climate action, sustainability, and green innovation.

# What You Can Do

- **Find Delegates:** Connect with fellow delegates from around the world.
- **Engage in Live Sessions:** Participate in livestreams and recordings of Malaysia Pavilion sessions.
- **Access Resources:** Download key reports, media materials, and daily session updates.
- **Expand Your Network:** Connect with both local and international experts, businesses, and policymakers.

**Join us in building a greener future. Start connecting now!**

Whether you're looking to share knowledge, explore investment opportunities, or collaborate on sustainable projects, the Malaysia Pavilion Delegate Matching Platform is your gateway to impactful climate action.

11 - 22 November 2024

# Our Vision: A Sustainable Future for Malaysia

The Malaysia Pavilion at COP29 reflects our nation's ambitious goal to achieve net-zero emissions by 2050. By embracing sustainable development, green technologies, and resilient urban design, Malaysia is leading the way in transforming how we address climate challenges. Through collaborative efforts, we aim to create a world where economic growth, social equity, and environmental preservation go hand in hand.

## Themes and Highlights

The Pavilion will feature daily themes that highlight Malaysia's contributions to global climate action. Our daily sessions will bring together thought leaders, innovators, and policymakers to explore the bold steps Malaysia is taking toward a sustainable and resilient future.

Join us at the Malaysia Pavilion throughout COP29 for engaging discussions, keynote panels, and innovative showcases centred on climate action and sustainability. Each day focuses on key themes and solutions that drive Malaysia's leadership in environmental resilience and green growth.

## Seven Pillars for Sustainable Transformation

The Pavilion features seven thematic clusters that represent Malaysia's key climate action areas. Each cluster showcases our strategic initiatives to achieve a sustainable future.
